My dear Sir,

I am directed to return the file of papers relating to the Mysore Sanskrit College and to say that the wording of the draft notification does not quite carry out the intentions of His Highness. What His Highness wanted to do was not to supersede the existing Committee of the College but to appoint a Special Committee to make an investigation outside the scope of the regular Committee. A slight alteration in the wording of the draft notification is all that is needed to put right matters and I am directed to send you the accompanying revised draft which is in accordance with His Highness' intentions.

I remain,

Yours sincerely,
